

IOSH Working Safely

Course Details

Working Safely is a one day course for staff from any sector with no supervisory or managerial responsibility. It provides a grounding in the essentials of health and safety – everyone at work should have an understanding of why they must ‘work safely’ and this course offers exactly that. Working Safely introduces a completely new approach to health and safety training and offers all the basics in a high impact interactive package.

Programme

- Module 1 - Introducing working safely
- Module 2 - Defining hazard and risk
- Module 3 - Identifying common hazards
- Module 4 - Improving safety performance
- Module 5 - Protecting our environment

Certification

For delegates who attend the course and successfully complete the written and practical assessments, there is a choice of accreditation, either an IOSH working safely certificate or an IOSH passport card.

Entry Requirements

No formal entry requirements are necessary.

Assessment

IOSH external examination to include:

1. Written assessment
2. Practical assessment
