

IOSH MANAGING SAFELY

DURATION

3 Days

OBJECTIVE

IOSH Managing Safely introduces managers, at all levels, to the different aspects of managing safety and health in the workplace. It provides the knowledge and understanding to manage the health and safety issues within their responsibilities and reinforces why good health and safety is essential to performing their roles successfully.

WHO SHOULD ATTEND?

Managing Safely is designed for managers and supervisors in any sector, and any organisation worldwide. They won't suddenly become safety experts – but they'll get up-to-speed on the practical actions they need to take, and gain the knowledge and tools to tackle the safety and health issues they're responsible for. Importantly, Managing Safely makes a powerful case for safety and health being an integral part of day-to-day management and business.

Areas Covered:

- Introducing Managing Safely
- Assessing Risks
- Controlling Risks
- Understanding Your Responsibilities
- Identifying Hazards
