PROJECT: RESEARCH HISTORICAL HAIR & BEAUTY DEVELOPMENTS

For this project we would like you to research six different periods that have changed the hair and beauty industry. You should research hair styles, make-up and fashion and:

- Compare each era to now
- Reflect on how hair styles, make-up and fashion has changed
- Which hair styles, make-up and fashion is similar to now.

Make sure you include lots of examples of pictures and drawings you find during your research.

With your research we would like you to produce a poster for each era to showcase your findings. This can be produced digitally or hand-drawn.

Once you have completed your posters please email them to your designated Student Recruitment Officer, Kayleigh Manders - kayleigh.manders@the-etc.ac.uk. Don't forget to include your name and the course that you have applied for.

If you have hand-drawn your posters please take a picture of them and send these via email. If you have digitally produced your posters please send copies of the documents via email.

Deadline for the projects is **Friday 9th July 2021**.
