

COURSE INFORMATION

EAL LEVEL 3 AWARD IN INITIAL VERIFICATION AND CERTIFICATION OF ELECTRICAL INSTALLATIONS

DURATION

5 Days

COURSE DETAILS

This gives the learner an understanding of the theory and practice of the initial verification and commissioning of single and three phase electrical installations. The qualification focuses on B57671 and IET guidance notes.

The following areas are covered:

- Inspection, testing and commissioning of electrical installations
- Safe Isolation
- Internal Verification Requirements
- Inspection
- Testing and Certifications

WHO SHOULD ATTEND

Practising electricians who wish to be accredited to meet the new requirements of the electrical industry and wish to carry out the inspection, testing and commissioning of electrical installations.

ENTRY REQUIREMENTS

Students must have successfully completed the IEE Wiring Regulations - 17th Edition (BS 7671:2008). This qualification is for qualified electricians who actively engage in inspection and testing.

HOW IS THE COURSE ASSESSED?

The assessment involves both online examination and practical assessments.

LEARNING OUTCOME

On successful completion, the student will be able to safely and accurately test electrical installations.
