Level 2 Diploma in Brickwork

Attendance: Two days a week
Start date: Sept 2020
Duration: 32 weeks
Location: Redcar campus

INTRODUCTION:
Today in the Construction Industry employers find it difficult to find good tradespeople and there is a very high demand for construction workers across all trades in the industry. Redcar and Cleveland College will give you the skills to make you “work ready”. We will prepare you for work and give you the required skills to become an excellent tradesperson with the potential to earn in excess of £40,000 per year.

WHAT WILL YOU DO?
Developing your skills from level 1 you will learn more complex skills and knowledge such as learning about safe working practices, quantities, communication with others, building structural and decorative brickwork, repair and maintenance of masonry structures and building complex masonry structures.

HOW WILL I LEARN?
The course covers both practical and theoretical content. You will be assessed by online unit tests at the end of each module. The course is very practical-based and the focus will be on learning and practising in the workshop.

HOW AM I ASSESSED?
You will be assessed regularly by your assigned tutor for all theory and practical assignments.

YOU NEED:
4 GCSEs grade 3/D or above and a level 1 qualification in a related course.

WHAT’S NEXT?
At the end of this course you could continue your learning by securing yourself an apprenticeship or entering employment.

HOW MUCH DOES THE COURSE COST?
£1,800
Funding may be available for 18-19 year olds.

REASONS TO JOIN US:
1. The construction industry in the Tees Valley is growing which could provide many job opportunities in the near future.
2. Our construction workshops are spacious and are equipped with modern equipment and machinery.
3. We have strong links with local employers who provide guest talks, work placements and apprenticeships.
